

Uji Bymaster

Uji is the Director of Accounting/Finance for Simon Bymaster, Inc. with an extensive knowledge of the needs of a Treasurer. In addition, Uji has been active at Bountiful Ridge as a past officer in the league, a Team participant, as well as marshal at the course.

Sandy Leonard

Sandy has been playing golf for 30+ years. She loves being outside with great, fun people, playing beautiful courses in our beautiful state! Since retiring in 1999 as office manager at CH2M HILL Engineers for 20 years, she has been able to play a lot of tournaments and meet a lot of the girls throughout the state. She has worked on the computer for many years and is very familiar with Excel and Quicken. She is the treasurer for the ladies league at Thanksgiving Point. It is a much smaller job than it would be for the UWGA, but she knows that she can learn quickly from the past treasurer. Sandy and her husband enjoy golfing trips, their great family and seeing wonderful places. If elected, she will look forward to working with the great UWGA Board.

Colleen Smith

Colleen has participated in Team and League play for years. She is currently a marshal at Bountiful Ridge and has leadership experience in the golf environment. Her organization skills coupled with her energy and enthusiasm will ensure the responsibilities of State Team Captain will be handled effectively, efficiently, and with a joyous bounce.
